Peer Support Network Strategic Plan 2015-17

Objective 1: To engage with a broad cross-section of organisations across Victoria who support people with a primary diagnosis of a chronic health condition

Strategies:

- Provide a relevant, accessible program of events to a broad cross-section of organisations
- Identify and approach relevant stakeholders across Victoria for inclusion in PSN
- Communicate PSN objectives and program to appropriate stakeholders

Peer Support Network Strategic Plan 2015-17

Objective 2: Raise awareness amongst health professionals in Victoria about appropriate peer support groups and pathways to access them.

Strategies:

- Identify health professionals whose clients would benefit from Peer Support
- Identify current referral pathways and gaps in pathways
- Develop referral pathways information process

Peer Support Network Strategic Plan 2015-17

Objective 3: Build the capacity of the CIA Peer Support Leadership Group and ensure its sustainability

Strategies:

- Ensure the Leadership Group is up to the maximum number of members and that it is representative of the PSN
- Succession planning for Leadership Group Chair
- Ensure the Leadership Group's internal processes and procedures are effective
