RMIT UNIVERSITY

Are you over 18?

Do you live in Australia?

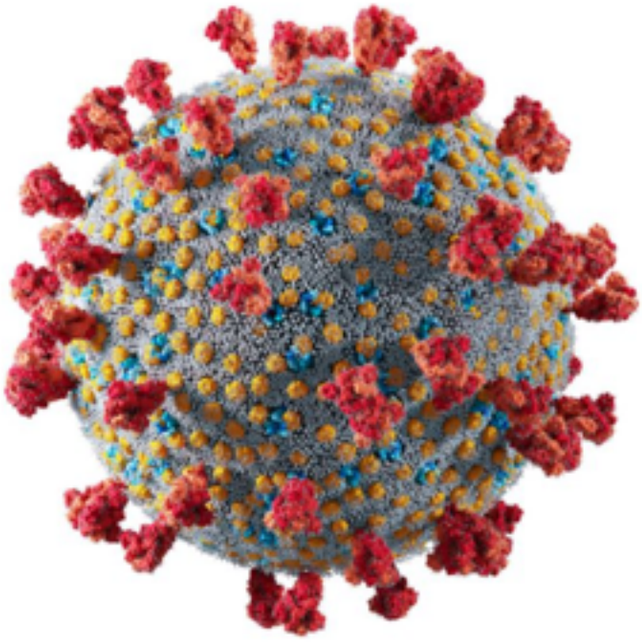

Have you had COVID-19, or were you a close contact?

Do you still have ongoing symptoms after COVID-19?

Researchers at RMIT University invite you to participate in an exciting government-funded project exploring the impacts of post COVID-19 condition, often known as Long COVID, on diverse populations in Australia.

Eligible participants will be invited to complete a survey every 3-6 months for 2 years.

If you are interested, please scan the QR code to find out if you are eligible.

Join us in this important research!
